A meeting with the Italian press was held today, Wednesday 11 November, at Mediaset's headquarters in Cologno Monzese.

During the meeting, Pier Silvio Berlusconi, MFE-MEDIAFOREUROPE Chairman and Group CEO said that he expects, based on preliminary figures, to close the nine months of 2026 with a Group adjusted operating profit (EBIT) for the first nine months of 2026 returning to positive territory at EUR 110.1 million, with an improvement of EUR 133.8 million compared with the pro forma figure for the corresponding period of 2025.

Adjusted EBIT for the Entertainment segment reached EUR 122.2 million in the first nine months of 2026, approximately 3.5 times the pro forma figure for the corresponding period of 2025. Segment costs decreased by EUR 259.6 million (-7.6%).

The consolidated results for the nine months ended 30 September 2026 will be submitted to the Board of Directors for approval on 18 November.

Note: preliminary, unaudited figures; pro forma comparison assuming consolidation of ProSiebenSat.1 from 1 January 2025. Adjusted EBIT excludes all PPA-related amortisations and, in 2026, the non-recurring charge arising from the legal dispute in Spain concerning the rights to use the television format "Pasapalabra".
