Notes to the financial statements

General

The Company is a limited liability company incorporated under the laws of The Netherlands on December 20, 2017, having its statutory seat in Amsterdam and office address at Viale Europa 46, 20093 Cologno Monzese, Italy.

Comparative figures

The first financial year of the Company covers the period from December 20, 2017 to December 31, 2017.

Group structure

The Company is owned by Mediaset Spa, an Italian company with its official statutory seat in Milan, Italy. The annual accounts of the Company are included in the consolidated accounts of Mediaset Spa.

Activities

The objects of the Company are to participate in, to take an interest in and conduct the management of other business enterprises of whatever nature.

Going Concern

Because the Company is incorporated in 2017 and has no activities, the result for 2017 was negative. The parent company has guaranteed continuing the activities of the company for at least 12 months from the date of approval of the financial statements of the Company.

PRINCIPLES OF VALUATION OF ASSETS AND LIABILITIES

General

The Financial statements are prepared in accordance with the provisions of Title 9, Book 2 of the Dutch Civil Code ("Dutch GAAP"). The statements are prepared in Euros. All assets and liabilities are valued at nominal value, unless stated otherwise.

Current liabilities

The current liabilities concern the liabilities with a duration shorter than one year. These liabilities are valued at face value unless stated otherwise.

PRINCIPLES OF THE DETERMINATION OF THE RESULT

General

Income and expenses are accounted for on an accrual basis. Profit is only included when realized on the balance sheet date. Income is considered to be realized when services have been rendered respectively goods have been supplied. Losses attributable to the financial year are taken into account if they become known before the preparation of financial statement.

Taxation

Taxes are calculated on the result before tax in the profit and loss, taking into account any losses carried forward from previous years and tax - exempt items plus non deductible expenses using the applicable rates. Deferred tax relating to taxable losses will be capitalized when taxable profits are expected and can be compensated.

Risks exposure

At the moment the Company has no exposed to particular risks to be mentioned.
